

## Printing Part Labels on the Scanner

1. Click on Inventory Utilities

2. Click on Item Label Printing

3. Choose your warehouse from the list.

The screenshot shows a mobile application interface for 'Label Printing'. At the top, there is a header bar with a back arrow, the text 'Label Printing', and a three-dot menu icon. Below the header, there is a light blue section containing the label 'WHSE' and a dropdown menu that is currently open, displaying the text '001: PROVO WAREHOUSE'. Below this section, there is a dark blue section with the text 'LOGIN ML (LET)'. At the bottom of the screen, there is a dark blue bar with two buttons: 'Back' and 'Accept', separated by a vertical line.

4. Select the item you want to print a label for from the list or scan the item barcode.

The screenshot shows the same 'Label Printing' mobile application interface. In this view, the 'WHSE' dropdown menu is closed, and the 'ITEM' label is visible next to a search input field. The input field is empty and has a magnifying glass icon to its right. Below the search field, the 'WHSE' dropdown menu is now closed, showing the text '001'. The 'LOGIN ML (LET)' text remains in the dark blue section. The bottom bar with 'Back' and 'Accept' buttons is still present.

5. Select the type of label you would like to print.
- a. **Box Item and Quantity:** Use for many small parts in a box.
  - b. **Item 3X1:** Use for singular items
  - c. **Item Jacket with Picture:** Use to place on a pallet or skid representing all the parts on that skid or pallet. E.g. labeling the skid or pallet that has the same part on it.
  - d. **Pallet 4x4:** Same as “c” without an item picture.

6. Input the number of labels to print and the qty of the part inside the box or on the pallet. (If printing a label for an individual part simply put a 1 for the “QTY/BOX”)
7. Press the Print button.

The screenshot shows a mobile application interface for label printing. At the top, there is a status bar with the time 7:12 AM, date Thu Jun 12, and battery level 51%. Below the status bar is a header bar with a back arrow, the text "Label Printing", and a menu icon. The main content area has a light blue background. It contains a "FORM" label next to a white input field with a dropdown arrow. Below this are two labels: "# OF LABELS" and "QTY/BOX", each followed by a white input field containing the number "1". To the right of these input fields is a dark blue button with a white printer icon and the text "Print". At the bottom of the screen is a dark blue footer bar with the text "ITEM #ECNO" and "ECONOMY TARGET STAND" in white. Below the footer bar is a dark blue bar with the text "Back" and "Accept" in white, separated by a vertical line.

8. In Blaine large prints will print at the LTL desk near the office.
9. In Provo large prints will print in the shipping and receiving area.
