5 Scroll down to view the skid content list.

## 6 Click on the "skid" box and type your desired skid number.

The screenshot displays a software interface with a top section containing a grid of colored boxes (green, blue, pink) with numbers. Below this is a search bar with the text "119 - Electronics Flammables Cabinet". The main section contains three tables. The first table, "Locations with Part", has a search bar with "Skid" selected and an orange circle highlighting the "Skid" dropdown menu. The second table, "Work Materials", has a search bar with "Part" selected. The third table, "Locations with Part", has a search bar with "Location ID" selected. The "Skid" dropdown menu is highlighted with an orange circle.

## 8 Select your desired content record from the newly populated list.

The screenshot displays a software interface with a hierarchical tree view at the top and a table below. The tree view shows a structure with nodes B1c, M0c, and M1c, each containing sub-items. The table below has columns: Skid ID, WIP Count, Part ID, Part Number, Description, PO Number, PO Item, and Sequence. The first row of the table is highlighted with an orange circle around the Skid ID '3125'.

Skid ID	WIP Count	Part ID	Part Number	Description	PO Number	PO Item	Sequence
